

****ATTENTION: Pursuant to N.C. Gen. Stat. § 166A-19.30(a)(2) in accordance with Governor Cooper’s Executive Order No. 220, face coverings and social distancing are no longer required (in most settings) for those who are fully vaccinated from COVID-19. It is highly recommended for those who are not yet vaccinated to wear a face covering over their mouth and nose and social distance. If you do not have a face covering, one will be provided to you.**

"Face Covering-means a covering of the nose and mouth that is secured to the head with ties, straps, or loops over the ears and fits snugly against the side of a person’s face. A Face Covering can be made of a variety of synthetic and natural fabrics, including cotton, silk, or linen. Face coverings are most effective when they fit snugly against a person’s face and have two (2) or more layers. This can be achieved by wearing a cloth face covering with two or more layers, or by wearing one disposable mask underneath a cloth mask. A cloth Face Covering may be factory-made, sewn by hand, or can be improvised from household items such as scarfs, bandanas, t-shirts, sweatshirts, or towels. Based on recommendations from the CDC, face shields do not meet the requirements for Face Coverings."
