

## The City of Mount Airy COVID-19 Weekly UPDATE (May 21, 2020)

\* Please Be Familiar With and Follow The CDC Guidelines at [www.cdc.gov](http://www.cdc.gov).

\* Follow The City of Mount Airy's Facebook Page, Twitter Account and [www.mountairy.org](http://www.mountairy.org) for updates.

- North Carolina is under a "Safe Approach" to Phase 2 effective May 22nd at 5:00pm, please follow <https://www.nc.gov/covid19> for updates.
- The City of Mount Airy continues educational efforts with COVID-19 with public service announcements on WPAQ and WSYD.
- Educational posters will be available the week of May 25th for business owners to display in their windows to encourage social distancing and CDC recommendations.
- "Mask Mount Airy" efforts have continued and over 11,000 masks have been distributed to the community. Thanks to Richard Fawcett, Tom Koch, Marie Wood and Jerry Coram Sr. for their donation.
- We will continue distributing masks at City Hall at the drive – thru window, while supplies last.
- Thank you to Renfro Corporation for your innovative thinking and reduced costs of masks to help the Mount Airy Community. #Partnership #MakingADifference
- CDC recommends wearing cloth face coverings in public settings where social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies) especially in areas of significant community-based transmission.
- Parks and Recreation facilities are being evaluated for the best and safest approach moving forward. Updates will be shared as decisions are made.
- Visit the North Carolina Department of Health and Human Services Website at [www.ncdhhs.gov](http://www.ncdhhs.gov) for Personal Protective Equipment options, emergency childcare services and recommendations.
- Access to city facilities will be restricted and we are requesting all business be managed by telephone, email or by appointment to minimize exposure to sickness. Sanitation/Garbage collection is currently operating on a regular schedule.
- For essential services, crisis and emergency needs offered in Surry County call 211 or 1-888-892-1162
