\* If public water and sewer are available. If not available, minimum lot size is 30,000 square feet.

<sup>1</sup> Where municipal water or sewer is not available, lot sizes shall be as required by the Surry County Health Department.

<sup>2</sup> See SR 7 for Multi-Family Dwelling.

<sup>3</sup> None required, but if provided, each side yard shall be at least 4' in width.

<sup>4</sup> From the center line of street or center of proposed major thoroughfare, as per plan adopted by the City and NCDOT.

<sup>5</sup> Special uses shall follow the area, yard, and height requirements of the underlying zoning classifications.

<sup>6</sup> 0' required if an interior lot line within a multi-parcel development of at least 10 acres.

<sup>7</sup> 20' if a peripheral or corner lot on the perimeter of the development or subdivision.
