

ANNOUNCING THE 2008 SUMMER CONFERENCE

The North Carolina Local Government Investment Association is pleased to announce its 2008 Summer Conference. The Conference will be held **July 16th – 17th 2008 at the Holiday Inn Sunspree Resort in Wrightsville Beach, NC. The conference registration deadline is June 30th.** No refunds will be issued for cancellations received after that date.

The Holiday Inn Sunspree is a premier ocean front resort on none other than Wrightsville Beach! **You must make your hotel reservation no later than June 15th.** Rooms are not guaranteed to be available after this date, nor is the rate guaranteed. Reservations can be made by completing the enclosed form and faxing or mailing it to the hotel or by calling the reservation number on the form. The rates are \$209 single or double occupancy per night, exclusive of tax. Whirlpool rooms can be reserved at a rate of \$259. **It would be advantageous if you do not delay in making your reservation, as the number of rooms is limited during the busy summer months at the beach!**

This summer's conference will include many exciting guests and topics. Also, The North Carolina Capital Management Trust invites conference registrants and guests to their Wednesday evening reception that always promises to be a highlight of the event.

Enclosed are the conference registration materials and a preliminary agenda, which offers 9.0 CPE credits. The registration fee for the conference is \$100 per participant.

To ensure that you are properly registered, please be sure you:

1. Make your hotel reservation ASAP but no later than **June 15th**, and
2. Mail your registration form and check as indicated on the registration form by **June 30th**.

Your Board is very excited to bring you this conference which hopefully offers something for everyone at all levels of expertise, as well as the opportunity to network with your peers.
