“Face Covering-means a covering of the nose and mouth that is secured to the head with ties, straps, or loops over the ears and fits snugly against the side of a person's face. A Face Covering can be made of a variety of synthetic and natural fabrics, including cotton, silk, or linen. Face Coverings are most effective when they fit snugly against a person's face and have two (2) or more layers. This can be achieved by wearing a cloth Face Covering with two or more layers or by wearing one disposable mask underneath a cloth mask. A cloth Face Covering may be factory-made, sewn by hand, or can be improvised from household items such as scarfs, bandanas, t-shirts, sweatshirts, or towels.”
