Application Fee: The fee for processing a new service application is \$15.00.

Connection Fee: A fee of \$25.00 is applied for each connection of service during normal business hours (i.e. new service, transfer of service, etc.)

Deposits: A deposit of \$60.00 is required for residential customers who are renters in order to establish service. Upon termination of service, the deposit will be applied against outstanding balances owed on the account and any excess then refunded.

Late Payment Fee: A 5.00% penalty is added to the outstanding balance as of the close of business 25 days after the bill date; with a minimum fee of \$25.00. (Bills are due 10 days after the bill date and are considered delinquent if not paid by the due date.)

Disconnection for Outstanding Delinquent Charges: Accounts with delinquent charges outstanding as of the close of business 40 days after the original bill date will be scheduled for disconnection for nonpayment on the next business day. No separate notice of pending disconnection will be mailed (Bills are due 10 days after the bill date and are considered delinquent if not paid by the due date.)

After Hours Fee: In addition to the standard connection fee or nonpayment fee, a fee of \$25.00 is applied for each connection of service after normal business hours (i.e. reconnection related to delinquent payments, new service, transfer of service, etc.)

Returned Item Charge: In accordance with North Carolina Law (G.S. 25-3-506) a \$25.00 charge is made for each check/draft returned.

Meter Tampering Penalty: For a first offense, a \$250.00 charge will be applied to a customer's account when the City water meter is turned on without City authorization or when the customer continues using water after water service has been discontinued by the City. Subsequent offenses are subject to a \$500.00 charge and civil and/or criminal penalties. (City of Mount Airy Code of Ordinance, Chapter 8, Section 8-4)

Availability Fees: In accordance with (G.S. 160A-317) an availability fee is charged for properties located inside the city limits that have water and/or sewer service available but have not connected to these services.
